The screenshot shows the Irish Post website's tracking interface. At the top is the 'POST' logo. Below it is a breadcrumb trail: 'You are here: Home / Track Your Item'. A green header bar contains the text 'Track your item'. The main content area is titled 'Tracking Results' and contains two paragraphs of text. The first paragraph states that the following are results for items with an electronic file and advises clicking on the item number for a full history. The second paragraph instructs users to select items and check a box to request a delivery record. Below this is a table with one row of tracking data. The table has columns for 'An Post No.', 'Sender No.', 'Status', 'Location', 'Date', 'Receiver Name', 'Country', and 'Delivery of Origin Record?'. The data row shows 'RL 401 000 762 IE' as the An Post No., 'DELIVERED' as the Status, 'DUBLIN 6,' as the Location, '26-Apr-13 09:57' as the Date, 'TINA ELLEN' as the Receiver Name, and 'IRELAND' as the Country. A checkbox is present in the 'Delivery of Origin Record?' column. A green button labeled 'Request Delivery Record' is located at the bottom right of the table area.
