Michel J. Kennedy, I was instructed to write the following.....

Please, have a look at the last paragraph of the eight-page letter referred to above which says.....

In the end let me convey the message of my legal advisors:

“.... If the case is closed (... This in brackets is said in the footnote - in accordance with ALL, literally ALL undeniable exhibits which Michael J. Kennedy Solicitors received and which many An Post receipts testify about) within fourteen days after reception of this letter (that will be confirmed by the An Post receipt) – this request for access to personal information can be ignored **providing** that no new evidence is reached as the inquiry is continuing and any new exhibit will change the circumstances. However, if the case is closed within fourteen days (not in accordance with the power of undeniable exhibits) or if the case is not closed within fourteen days this request for access to personal information **remains in effect** and we start, in phases, uploading ALL the material to internet as soon as possible. First, as we have already pointed out, the theoretical approach and then story of the exhibits in which one of central places belongs to the file of Michael J. Kennedy Solicitors. Any potential communication after that may happen but ONLY IN QUITE DIFFERENT CIRCUMSTANCES.

...and last but not the least....we would not advise anyone to hurt the victim in any way!!!...”

Michael J. Kennedy, if the case does not be closed within the 14-day period the foregoing paragraph points to (by 28<sup>th</sup> July 2023 - Friday) this 15-page letter will be posted immediately on Saturday morning (29<sup>th</sup> July 2023)...Apart from it, more steps are being prepared ....but, all in its time!

Dear Madam Minister and dear Madam or Sir, hereunder is the eight-page<sup>1</sup> letter that Kennedy Solicitors from Baldoyle received on 14<sup>th</sup> July 2023 at 06:21.<sup>2</sup> All what You are reading now my legal advisors will upload to internet as a part of **the huge file**<sup>3</sup> about Kennedy Solicitors from Baldoyle. Uploading is necessary for the coming hearing before the Court of International Public who will be bringing the verdict each day as the overall file will remain permanently available on the online platform securely protected against any cyber/hacker attacks. **Having this in mind, the Court of International Public will want to know**

1. .... whether Law Society of Ireland have taken or will have taken some steps, which steps and the outcome in relation to this issue...
2. ....whether Legal Services Regulatory Authority of Ireland have taken or will have taken some steps, which steps and the outcome in relation to this issue and.....
3. ....whether Department of Justice of Ireland have taken or will have taken some steps, which steps and the outcome in relation to this issue.

It is important to point out that **the Agreement Letter was signed on 30<sup>th</sup> December 2015** (see the two excerpts on page 15 - however, all the 5-page Agreement Letter is available) and what I have now **after 5681 (five thousand six hundred and eighty one days and nights** ..30/12/2015 through 17<sup>th</sup> July 2023) is presented hereunder. **That is not acceptable and that will be tried by the Court of International Public!!!** Now, please have a look at the eight-page letter....

Mr Michael J. Kennedy, I was instructed to write the following....  
Personal Data Access Request

Pursuant to Article 15 of the General Data Protection Regulation (GDPR) I wish to make a data access request **for a copy of any information** Michael J. Kennedy Solicitors keep about me, on computer, in manual form or in any other electronic form. I require the following: Please, provide me with full access to my personal data. These will include all hard copy data and all electronic data from which I can be identified, and whether information Michael J. Kennedy Solicitors keep about me has ever been passed on to anyone else. This request relates to:

- Full contents (together with the manner of filing) of my file(s) with Michael J. Kennedy Solicitors,
- Data relating to any changes made to the manner in which the file(s) is or are made.
- Please, also confirm who has access to my data (in particular the file) and provide a precise list of when and by whom my data were accessed.
- **Failure to respond to the request, any attempt to produce or producing any data withheld from me is not legally acceptable.**
- **The legislation set up all the circumstances of forming and responding to an individual personal data request and you as expert are very well aware of it.**

The requested documentation is needed for the coming hearing before the Court of International Public B E C A U S E that court does not acknowledge political influence and political influence is helpless there. It is also important to point out that the platform to which your file<sup>4</sup> will be uploaded is immune to any sort of cyber/hacker attacks and professionally protected; your file will stay at that platform permanently. Having that in mind, the Court of International Public will be bringing the verdict each day. It is also important to point out that my legal advisers focus on the file of Michael J. Kennedy Solicitors including all the An Post receipts confirming that Michael J. Kennedy Solicitors received the files I posted. All the material will be, in phases, uploaded to internet and so referred to the Court of International Public for determination. As already pointed to above that Court does not recognize political

influence. My legal advisers<sup>5</sup> will set up the website and upload ALL the material they have including, of course, the file about Michael J. Kennedy Solicitors they pay particular attention to; they have much, really much. However, in the beginning what will be gradually uploaded is the extensive theoretical approach and then case studies with horrific exhibits which will stay permanently available at the secure platform. It is also important to point out that the material at the disposal of my legal advisers is sufficient for years of work.

What produced this letter is the correspondence<sup>6</sup> issued to Kennedy Solicitors (see FIGURE ONE and see also FIGURE TWO)

In the beginning of the letter that Kennedy Solicitors received as FIGURE ONE and FIGURE TWO testify, it is written "...I understood you when we talked last time that I can phone today, Friday 7<sup>th</sup> July 2023 about 3 or 4 pm..." It is important to mention that "...when we talked last time..." refers to the call on 4<sup>th</sup> July 2023 at 09:58<sup>7</sup> and that was why I called Kennedy Solicitors several times unsuccessfully on 7<sup>th</sup> July 2023. (see FIGURE THREE, FIGURE FOUR and see also FIGURE FIVE – these three figures testify which number I called, when and how many times).

In the end let me convey the message of my legal advisors:

".... If the case is closed<sup>8</sup> within fourteen days after reception of this letter (that will be confirmed by the An Post receipt) – this request for access to personal information can be ignored **providing** that no new evidence is reached as the inquiry is continuing and any new exhibit will change the circumstances. However, if the case is closed within fourteen days (not in accordance with the power of undeniable exhibits) or if the case is not closed within fourteen days this request for access to personal information **remains in effect** and we start, in phases, uploading ALL the material to internet as soon as possible. Hi Leo,

I understood you when we talked last time that I can phone today, Friday 7<sup>th</sup> July 2023 about 3 or 4 pm. I tried several times and I did not manage to reach you. First time (15:17) I talked to a lady (call lasted 1 minute and 2 seconds) and the line was still open but the lady did not say anything after 1 minute and 2 seconds elapsed. Then I called two times at 15:18 the line was open but there was no voice answer at all. Then I called at 15:19 again the line was open for 2 seconds but there was no voice answer. Then I called at 15:19 again; another lady answered the call - I asked "can you hear me" and she said "no". The call lasted 18 seconds. Then I again called at 15:20 without success.

I also called you on your mobile [REDACTED] at 15:22. I was instructed by the machine voice to leave the message and I left the message (42 seconds long). I approximately said in my message that I understood you when we last time talked that I can call you again today. I also said that I would not use your private mobile number if I succeeded to talk to you through the office number.

Further, Leo I also understood you that we will have my case closed in July 2023. Today is 7<sup>th</sup> July 2023 and I will wait until the end of this month and then start preparations to leave Ireland. As soon as I finish them (the preparations) I leave Ireland irrespective of whether the case is closed or not because my illness forced me to do it.

I hope that you will understand this letter.

Regards,
