

In this introductory note we wish to return once more to Section 10.- (1) (a) Criminal Justice (Theft and Fraud Offences) Act 2001.¹

10.—(1) A person is guilty of an offence if he or she dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another— **loss of information to the victim**

(a) destroys, defaces, conceals or falsifies any account or any document made or required for any accounting purpose,

Three important notions stand out in this section:

1. Dishonestly
2. Intention and...
3. Conceals.

In Dictionary.com “dishonesty” is defined as “lack of honesty; a disposition to lie, cheat or steal”² while in Cambridge dictionary “intention” refers to “something that you want and plan to do...”³

APPENDIX NOTE 4 “...if you conceal something, you cover it or hide it carefully...” and “...if you conceal a piece of information.....you do not let other people know about it...”

WHY CRIMINALS LEO FAY AND MICHAEL J. KENNEDY DO NOT LET THE VICTIM KNOW ABOUT THE DOCUMENTS THIS LIST POINTS TO ALTHOUGH CRIMINAL LEO FAY (responding to the first data request)⁴ CLEARLY WRITES⁵....

The remainder of the documents which you have requested will be released as part of our response within twenty-eight days of your original request dated the 7th of July 2023.

These criminals inhumanely do not let the victim know about facts documentation, this list points to, discloses due to their dishonest (lie, cheat or steal) intention to cause loss of information to the person suffering from mental illness the Irish Wheelchair Association heinously caused. Namely, they ignored the victim’s second Request for access to personal information (amendment).⁶ The crucial point in Section 10.- (1) (a) of the Act is the following part.....

In the English language it is hard to find words which are capable to explain the evil nature of Leo Fay and Michael J. Kennedy. After we complete uploading each account or document that these people concealed their real nature will be somewhat more understandable.

Concealing.....

any account or any

.....Michael J. Kennedy and Leo Fay perpetrated **MISCONDUCT** both sections (hereunder) speak about.....

1. 14.- (1) (b) (i) Solicitors Act 1954,²⁸ and....
2. 50 Legal Services Regulation Act 2015²⁹

We will now have somewhat a deeper look at meaning of “**MISCONDUCT**”

Legal Services Regulatory Authority of Ireland, while explaining procedure within complaints about legal practitioners – solicitors and barristers, write that they handle three types of complaints. One of them speaks about **MISCONDUCT**. Clarifying this Legal Services Regulatory Authority of Ireland, on their website, say that the notion is understood as “...a range of conduct which includes **fraud, dishonesty, criminal activity** and other acts.” They, further, say that “there is no time limit on complaints about misconduct.”³⁰

All, literally all three notions Legal Services Regulatory Authority of Ireland point to in the foregoing definition.....

.....**fraud, dishonesty, criminal activity**.....

...faithfully determine and define numerous criminal offences (concealing of numerous documents) Leo Fay and Michael J. Kennedy have perpetrated.

For instance.....

FRAUD /noun/ refers to....

“the intentional use of deceit, a trick or some dishonest means to deprive another of his/her/its money, property or a legal right. A party who has lost something due to fraud is entitled to file a lawsuit for damages against the party acting fraudulently, and the damages may include punitive damages as a punishment or public example due to the malicious nature of the fraud. Quite often there are several persons involved in a scheme to commit fraud and each and all may be liable for the total damages. Inherent in fraud is an unjust advantage over another which injures that person or entity. It includes failing to point out a known mistake in a contract or other writing (such as a deed), or not revealing a fact which he/she has a duty to communicate, such as a survey which shows there are only 10 acres of land being purchased and not 20 as originally understood. Constructive fraud can be proved by a showing of breach of legal duty (like using the trust funds held for another in an investment in one's own business) without

²⁸ See APPENDIX NOTE 7

²⁹ See APPENDIX NOTE 8

³⁰ See APPENDIX NOTE 9

direct proof of fraud or fraudulent intent. Extrinsic fraud occurs when deceit is employed to keep someone from exercising a right, such as a fair trial, by hiding evidence or misleading the opposing party in a lawsuit. Since fraud is intended to employ dishonesty to deprive another of money, property or a right, it can also be a crime for which the fraudulent person(s) can be charged, tried and convicted. Borderline overreaching or taking advantage of another's naiveté involving smaller amounts is often overlooked by law enforcement, which suggests the victim seek a "civil remedy" (i.e., sue). However, increasingly fraud, which has victimized a large segment of the public (even in individually small amounts), has become the target of consumer fraud divisions in the offices of district attorneys and attorneys general”³¹

Meaning of FRAUD very faithfully determines all the horror and bullying this Organized Crime Network exposed the victim to.

We have already pointed out earlier that Dictionary.com describes DISHONESTY /noun/ as “**lack of honesty; a disposition to lie, cheat or steal**”³² However, we now refer to the wider explanation of the term in which Alex Steel brilliantly describes the notion in his paper “Describing dishonest means: the implications of seeing ‘dishonesty’ as a course of conduct or mental element and the parallels with indecency.”³³

CRIMINAL ACTIVITY is the third notion that the Legal Services Regulatory Authority understand as an important point (apart from fraud and dishonesty) determining the boundaries of misconduct. Ergo, they clearly write³⁴.....

The LSRA receives and investigates complaints about legal practitioners – solicitors and barristers.

We handle three types of complaints about:

- **Inadequate legal services:** when the client considers the legal service was not of a standard that someone would reasonably expect.
- **Excessive costs:** when the client considers the costs sought for the legal service is excessive.
- **Misconduct:** a range of conduct which includes fraud, dishonesty, criminal activity and other acts.

APPENDIX NOTE 11 says that “*Criminal activity* refers to actions or conduct that **violate the law** and are considered to be harmful, threatening, or disruptive to individuals or society as a whole.” - It is very important to carefully analyze APPENDIX NOTE 11 A

³¹ See APPENDIX NOTE 10 and APPENDIX NOTE 10 A

³² See APPENDIX NOTE 2

³³ See APPENDIX NOTE 2 A

³⁴ See APPENDIX NOTE 9

Having in mind what this appendix explains we, further, point to how W. Kip Viscusi explains the circumstances in his work “The Risks and Rewards of Criminal Activity: A comprehensive Test of Criminal Deterrence.”³⁵

Apart from meaning of “misconduct” we have just clarified it is indeed important to focus on another determination of this notion. Ergo, we (legal advisors of the victim) refer to definition of *misconduct* determining the notion as “**improper and/or illegal acts by a public official which violate his/her duty to follow the law** and act on behalf of the public good. Often such conduct is under the guise or “color” of official authority.”³⁶

Concealment of numerous³⁷ documents Leo Fay and Michael J. Kennedy perpetrated is definitely “**improper and....illegal acts by a public official which violate his/her duty to follow the law...**”

Apart from that, we refer to APPENDIX NOTE 15 saying that “...failing to perform **any** term of a contract, written or oral **without a legitimate legal excuse....**” is what defines breach of contract. In these circumstances we have the TWO³⁸ Agreement Letters and Michael J. Kennedy Solicitors REJECTED TO PERFORM EVEN A SINGLE TERM OF ANY OF THESE TWO CONTRACTS.

For instance, we have the circumstances in which the first contract was signed on 30th December 2015³⁹ and **eight years and six months**⁴⁰ after that Leo Fay – the criminal is **persistently rejecting** to explain the breach although *Quest for Justice* is regularly calling on him to do it.⁴¹ Eight years and six months criminals Leo Fay and Michael J. Kennedy were concealing the truth from the victim.⁴² In these circumstances it means that the condition **without a legitimate legal excuse**, within the foregoing definition of breach of contract, is undeniably fulfilled.

Michael J. Kennedy and Leo Fay....there is no legal force that can uproot you from this horrific crime *Quest for Justice* testifies about – Their Highness the Court of International Public will bring the verdict!!!

IF SOMETHING HAPPENS TO ME THE OVERALL FILE WILL BE UPLOADED TO INTERNET AND SURFACE IN INTERNATIONAL PUBLIC IMMEDIATELY INCLUDING THE QUESTION WHAT HAPPENED TO ME!!!.....” (see APPENDIX NOTE 24)

On first page of the file which Leo Fay of Michael J. In two-page letter which Leo Fay received on 12th June 2023 (see APPENDIX NOTE 26) the victim wrote....

“...my unfinished doctoral dissertation (you have the copy) of about ninety thousand words will be (along with the huge overall file) uploaded in phases to internet so that the Court of International Public can see what Irish Wheelchair Association brutally, by force and illegally prevented me to reach.

Having that in mind, the Court of International Public will be bringing the verdict each day, because, as I already pointed to and out earlier, several times, all the project will be securely protected and permanently available on internet....

Let people of Irish Wheelchair Association know that data collected from 2005 and the research material are sufficient for at least fifteen years of work...”

All the Criminal Organization have ignored these warnings and when *Quest for Justice* came into being and showed up on the internet the vermins got scared and started their choral whining and roaring. All these vermins are incredibly stupid (see APPENDIX NOTE 30 and APPENDIX NOTE 31) with severe mental deficiency (see APPENDIX NOTE 32). This particularly relates to the minister for Justice in the Irish government, Helen McEntee⁵⁴ and Catherine Pierse⁵⁵ – director of Public Prosecutions of the Republic of Ireland.

In the beginning the criminals were not worried that much... they would attack Quest for Justice only ten times a day....

⁵⁴ See APPENDIX NOTE 33

⁵⁵ See APPENDIX NOTE 38

However in the course of time as their horrific crimes were being published their fears, too, were mounting and daily attacks reached fifty...

Having thoroughly analyzed mental states of the key figures in this Criminal Organization in Ireland section of our office for psychological research resorted to publish how many times international public viewed pages of *Quest for Justice* within 24-hour period.....

Quest for Justice is expelled from Instagram, X, Youtube, Linkedin, Boards.ie...However, that produced 31% increase in number of pageviews and people viewed our pages 31,320 times in only 24 hours. Thank you!!!

After that, our source within the Criminal Organization reported that publishing this information on *Quest for Justice* Homepage brought about a frenzy of anxiety in this organization. The criminals themselves confirmed truthfulness of what our insider pointed to. Namely, almost simultaneously with uploading how many pages of *Quest for Justice* people viewed within 24 hours and within 28 days sickening attacks soared....

.... eighty nine times in one day....

...ninety two times in 24 hours...

...and at this moment the attacks reached the high level - ninety eight in only one day...

It is not all yet as fears of these criminals turned into frenzied panic although we have not even started to publish what we have at the disposal.....have a look...

Some seem to be very, very nervous. Helen Mc Entee, criminal minister for– it is very easy to be courageous encircled by security services and the Ministry thick walls you are hiding behind. Come out into the public and explain to international and national public all the criminal offences *Quest for Justice* testify about, all the criminal offences you and your accomplices from the Organized Crime Network have perpetrated. You, Helen McEntee along with Catherine Pierse⁵⁶, heavily violated Sections 7 and 8 Criminal Law Act 1997⁵⁷ and Part 7 – Organized Crime – Criminal Justice Act 2006.⁵⁸

You are concealing horrific physical and emotional torture the victim was exposed to in the Irish Wheelchair Association and that bullying and torture (**still lasting**) caused mental illness of the victim and you are very well aware of it.

All who breached the law will be tried before the Court of International Public and at that court political influence does not exist.....the criminals are aware of it.....hence their nervousness and daily attacks on *Quest for Justice*.....

Quest for Justice have information that behavior of some of them recently started to exhibit uncontrollable emotion and panic.

Having in mind “...blood of the victim...” we just transfer text from the Homepage.....

“In the course of almost eight years, while working in Irish Wheelchair Association, the victim was exposed continuously to both mental and physical torture. Deliberate inflictions of physical pain caused **bleedings of the victim’s lower legs** and severe psychological trauma he never recovered from. *Quest for Justice* have all evidence material and *Quest for Justice* will publish it at the opportune time. The Criminal Organization, having destroyed one life, are now going to extreme lengths to cover up traces of their sickening malignance. International public must see what happened...”

Let us, once more, return to the terrific and numerous crimes that this Criminal Organization in the Republic of Ireland have perpetrated and ALL of them and their entire machinery turned against the victim – a person suffering from mental illness Irish Wheelchair Association deliberately and by force caused.

We have revealed only a small, a very small fraction of quantum of evidence that *Quest for Justice* have at the disposal. This quantum of evidence undeniably proves all the true nature of this Criminal Organization in the Republic of Ireland.
