Section 150 Letter

Re: Cell phone case

Introduction

I confirm that we would be pleased to act for [you/Client] in relation to this case. This letter, together with its schedules, sets out information on our proposed legal costs and information on how we will conduct our business with you as your solicitors.

Our data protection notice is also attached.

These documents are important. Please read them carefully and please let us know if you have any questions or concerns.

1. Scope of Work

You have asked us to act on your behalf for your contract dispute matter. This letter describes all work carried out by us until your case is concluded either by way of settlement or acceptance of a Personal Injuries Assessment Board award or until the point that your case is released from the Personal Injuries Assessment Board by way of authorisation.

2. Legal Costs

You are responsible for the payment of your legal costs.

- 2.1. We are required to certify certain information in relation to your legal costs and, for each stage of your case, provide an outline of work to be done and information on the legal costs. That information is set out in Schedule 1.

APPENDIX CELL PHONE

2.2. Summary of Legal Costs.

We estimate our fee for doing all work necessary to prepare and lodge your case and have it finalised to be €4,500.00 plus VAT @ 23%.

In respect of expert witnesses, we estimate that we may require the services of an engineer whose fees if the case is concluded prior to a court hearing are likely to be between €500.00 and €1,000.00.

Basis of calculation of our fees

2.3. Features of your case taken into account in calculating our fees.

We use the time spent on your case as one factor in deciding the appropriate fee to be charged. However, it is only one of the elements that are taken into account. Our fees are calculated on the following basis:

- (a) the complexity and novelty involved in the legal work;
- (b) the skill or specialised knowledge relevant to the matter which we have applied to the matter;
- (c) the time and labour we have reasonably expended on the matter;
- (d) the urgency attached to the matter by the client and whether this required us to give priority to that matter over other matters;
- (e) the place and circumstances in which the matter was transacted;
- (f) the number, importance and complexity of the documents that we were required to draft, prepare or examine;
- (g) where money, property or an interest in property is involved, the amount of the money or the value of the property or the interest in the property concerned;
- (h) taking into account the limitation of our liability set out in this letter;
- (i) whether or not we have necessarily undertaken research or investigative work; and
- (j) if so, the timescale in which such work was required to be completed; and
- (k) the use and costs of expert witnesses, or other expertise engaged by us and whether such costs were necessary and reasonable.

Where time is a factor in deciding the appropriate fee our fees are calculated by the amount of working time spent on your case by the relevant partner, solicitor, legal executive or other member of our team at the rates set out below. Those rates reflect the skill or specialised knowledge of the relevant legal practitioner relevant to your case.

2.4. Hourly rates

Our rates per hour are as follows: -

Partner	€295.00
Senior Associate	€0.00
Associate	€0.00

APPENDIX CELL PHONE

Legal executive	€0.00
Trainee solicitor	€0.00

Hourly rates may change over the course of a case. An individual's hourly rate may change if they are promoted.

3. VAT

All fees and general charges payable by you are exclusive of value added tax ("VAT") which is, at present 23%. Any amount of VAT set out in this letter is calculated at that rate. However you are required to pay VAT at the rate that applies at the date of the issue of an invoice, which may be higher or lower.

4. ~~Monthly invoicing~~

~~Unless your case is of short duration, we will issue invoices to you on a monthly basis. Our invoices are payable within 15 days of receipt. [We reserve the right to charge interest at the rate of (●) % for any outstanding fees and charges.]]~~

6.4. Payment on account of fees or charges

We may ask you to make a payment on account of fees or charges. Any payment on account will be credited against our final invoice for the work concerned.]

7.5. Our obligation to update you on your legal costs

We are required to send you an update as soon as may be after we become aware of an issue that means that the legal costs in your case will be significantly greater than what is in this letter.

8.6. Barrister, expert witness and other services costs

Where feasible, we will not ask a barrister, expert witness or other service provider to assist with your case without first:

- (a) finding out how much he or she is likely to charge or how he or she charges;
- (b) giving you this information on their charges; and
- (c) being satisfied as to your approval.

It is very likely that we will have to employ expert witnesses in your case. The expert witnesses in this matter can include doctors, engineers, vocational rehabilitation consultants and actuaries.

APPENDIX CELL PHONE

In the event that any fee charged by an expert is likely to exceed the amounts referred to above, any expert that we have not envisaged above is required or any shortfall in payments that have not been signalled above are likely then we will seek your consent prior to agreeing terms or engaging the expert.

If you wish us to inform you individually every time we engage any expert or witness in a case, we would be happy to do so upon your written confirmation but otherwise we will take this letter to be your implied consent to act in accordance with the procedures set out above.

9.7. If you withdraw from your case and your case is discontinued

If you withdraw from your case and your case is discontinued after it has started or if you decide not to continue to defend your case, you are likely to be responsible for both our costs and the reasonable legal costs incurred by the other parties involved in the case up to the time the case was withdrawn and discontinued.

The consequence of your withdrawal from litigation and its discontinuance are the following:

- where applicable, the remedy you are seeking may not continue to be available;
- legal limitations on making a claim may apply and you may be prohibited from pursuing your claim on the basis that too much time has elapsed;
- the other side may try to dismiss the case for failure to progress the case;
- your case may not be able to be continued or progressed where too much time has passed;
- the remedies sought from the other side may not be available;
- the other side may obtain judgment against you;
- the other side may secure an award of damages against you; and
- [other consequences, as appropriate.]

10.8. Paying our legal costs and the legal costs of the other parties involved in your case

10.1.8.1. Costs of other parties

In the event that this matter concludes within the Personal Injuries Assessment Board process, you will not be liable for the costs of any of the other parties involved in your case. In the event that the matter does not conclude within that process and the matter is required to proceed to court, we will send you an updated notice in relation to the costs arising in that context.

10.2.8.2. Your legal costs

APPENDIX CELL PHONE

You are responsible for all of the legal costs (including our fees) that we incur on your behalf regardless of the outcome of your case. You will not be able to recover the costs incurred on your behalf in the Personal Injuries Assessment Board process from any other party involved in your case. In the event that the matter does not conclude within that process and the matter is required to proceed to court, we will send you an updated notice in relation to costs arising in that context.

11.9. Limitation of liability

Our liability to you arising out of this letter and our solicitor and client relationship will be limited to [the higher of (a) the minimum amount of the professional indemnity insurance cover required to be maintained by us under Irish law; or (b) €1,400,000. Our liability will be limited to that extent for breach of contract, breach of statutory duty, negligence and otherwise. Nothing in this letter shall limit our liability to you where, by law, liability may not be limited, such as liability relating to fraud or fraudulent concealment. References to our liability include any liability of this firm and of its past, present and future partners and employees.

12.10. Time to consider

To give you time to consider this letter, we shall not provide any legal services in relation to your case for up to 5 working days unless—

- (a) you confirm that you wish us to proceed with your case,
- (b) [in our opinion, to not provide our legal services would breach a statutory requirement or the rules of court or prejudice your rights in a way that could not be later remedied,
- (c) we are required to provide legal services to you by court order, or
- (d) a notice of trial has been served or a date has been fixed for the hearing of your case.]

When you provide us with any instructions or when you return a signed copy of this letter, you confirm (a) that you wish to proceed and (b) your agreement to the terms of this letter.

13.11. [Use of e-signatures and email

APPENDIX EIGHT TWO

APPENDIX ELEVEN

To:

Michael J. Kennedy, Managing Partner,
Michael J. Kennedy Solicitors,
[REDACTED]
Baldoyle, Dublin 13.
[REDACTED]

Mr Michael J. Kennedy, I was instructed to write the following....
Personal Data Access Request

Pursuant to Article 15 of the General Data Protection Regulation (GDPR) I wish to make a data access request **for a copy of any information** Michael J. Kennedy Solicitors keep about me, on computer, in manual form or in any other electronic form. I require the following: Please, provide me with full access to my personal data. These will include all hard copy data and all electronic data from which I can be identified, and whether information Michael J. Kennedy Solicitors keep about me has ever been passed on to anyone else. This request relates to:

- Full contents (together with the manner of filling) of my file(s) with Michael J. Kennedy Solicitors,
- Data relating to any changes made to the manner in which the file(s) is or are made.
- Please, also confirm who has access to my data (in particular the file) and provide a precise list of when and by whom my data were accessed.
- **Failure to respond to the request, any attempt to produce or producing any data withheld from me is not legally acceptable.**
- **The legislation set up all the circumstances of forming and responding to an individual personal data request and you as expert are very well aware of it.**

The requested documentation is needed for the coming hearing before the Court of International Public B E C A U S E that court does not acknowledge political influence and political influence is helpless there. It is also important to point out that the platform to which your file¹ will be uploaded is immune to any sort of cyber/hacker attacks and professionally protected; your file will stay at that platform permanently. Having that in mind, the Court of International Public will be bringing the verdict each day. It is also important to point out that my legal advisers focus on the file of Michael J. Kennedy Solicitors including all the An Post receipts confirming that Michael J. Kennedy Solicitors received the files I posted. All the material will be, in phases, uploaded to internet and so referred to the Court of International

¹ As the composing part of the huge overall file

APPENDIX ELEVEN

Public for determination. As already pointed to above that Court does not recognize political influence. My legal advisers² will set up the website and upload ALL the material they have including, of course, the file about Michael J. Kennedy Solicitors they pay particular attention to; they have much, really much. However, in the beginning what will be gradually uploaded is the extensive theoretical approach and then case studies with horrific exhibits which will stay permanently available at the secure platform. It is also important to point out that the material at the disposal of my legal advisers is sufficient for years of work.

What produced this letter is the correspondence³ issued to Kennedy Solicitors (see FIGURE ONE and see also FIGURE TWO)

In the beginning of the letter that Kennedy Solicitors received as FIGURE ONE and FIGURE TWO testify, it is written "...I understood you when we talked last time that I can phone today, Friday 7th July 2023 about 3 or 4 pm..." It is important to mention that "...when we talked last time..." refers to the call on 4th July 2023 at 09:58⁴ and that was why I called Kennedy Solicitors several times unsuccessfully on 7th July 2023. (see FIGURE THREE, FIGURE FOUR and see also FIGURE FIVE – these three figures testify which number I called, when and how many times).

In the end let me convey the message of my legal advisors:

".... If the case is closed⁵ within fourteen days after reception of this letter (that will be confirmed by the An Post receipt) – this request for access to personal information can be ignored **providing** that no new evidence is reached as the inquiry is continuing and any new exhibit will change the circumstances. However, if the case is closed within fourteen days (not in accordance with the power of undeniable exhibits) or if the case is not closed within fourteen days this request for access to personal information **remains in effect** and we start, in phases, uploading ALL the material to internet as soon as possible. First, as we have already pointed out, the theoretical approach and then story of the exhibits in which one of central places belongs to the file of Michael J. Kennedy Solicitors. Any potential communication after that may happen but ONLY IN QUITE DIFFERENT CIRCUMSTANCES.

...and last but not the least....we would not advise anyone to hurt the victim in any way!!!"

Yours faithfully,

 M. Phil.

 13th day of July 2023

⁵in accordance with ALL, literally ALL undeniable exhibits which Michael J. Kennedy Solicitors received and which many An Post receipts testify about.

APPENDIX ELEVEN

Leo Fay,
Michael J. Kennedy Solicitors,

Baldoyle,
Dublin 13.

Hi Leo,

I understood you when we talked last time that I can phone today, Friday 7th July 2023 about 3 or 4 pm. I tried several times and I did not manage to reach you. First time (15:17) I talked to a lady (call lasted 1 minute and 2 seconds) and the line was still open but the lady did not say anything after 1 minute and 2 seconds elapsed. Then I called two times at 15:18 the line was open but there was no voice answer at all. Then I called at 15:19 again the line was open for 2 seconds but there was no voice answer. Then I called at 15:19 again; another lady answered the call - I asked "can you hear me" and she said "no". The call lasted 18 seconds. Then I again called at 15:20 without success.

I also called you on your mobile [REDACTED] at 15:22. I was instructed by the machine voice to leave the message and I left the message (42 seconds long). I approximately said in my message that I understood you when we last time talked that I can call you again today. I also said that I would not use your private mobile number if I succeeded to talk to you through the office number.

Further, Leo I also understood you that we will have my case closed in July 2023. Today is 7th July 2023 and I will wait until the end of this month and then start preparations to leave Ireland. As soon as I finish them (the preparations) I leave Ireland irrespective of whether the case is closed or not because my illness forced me to do it.

I hope that you will understand this letter.

Regards,

[REDACTED] 7th July 2023
